## R&D Tax Incentive Refund Received

Aurora Labs Limited ("A3D" or "the Company") (ASX:A3D), is pleased to announce receipt of funds from its FY19/20 Research & Development incentive tax claim, enabling the full discharge of the previously announced Radium Capital loan<sup>1</sup>.

Post repayment to Radium Capital, Aurora has received approximately \$462k from the Government refund. These funds will primarily be applied to the new development pathway for RMP-1 printer, including R&D costs (prototyping, printer upgrades and printing consumables), patent costs, plant and equipment costs and working capital.

Ends

---

Approved for release by the Company's Board of Directors.

## FORWARD LOOKING STATEMENTS

This announcement contains forward-looking statements which incorporate an element of uncertainty or risk, such as 'intends', 'may', 'could', 'believes', 'estimates', 'targets' or 'expects'. These statements are based on an evaluation of current economic and operating conditions, as well as assumptions regarding future events.

These events are, as at the date of this announcement, expected to take place, but there cannot be any guarantee that such events will occur as anticipated or at all given that many of the events are outside Aurora's control.

Accordingly, Aurora and the directors cannot and do not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur.

For further information, please contact: [enquiries@auroralabs3d.com](mailto:enquiries@auroralabs3d.com)
